b. Grallspace was instructed to begin his search for housing suitable for himself and his family. The housing situation in Salzburg and the difficulties in getting suitable housing in this very crowded city were explained to Grallspace. d. A lengthy discussion was held concerning agent's automobile, which is presently in Germany registered under a different name. A mental note was made to bring up the matter at a future meeting after having discussed the problem with [].

e. Agent was reminded not to telephone or write from Salzburg.
